CONSULTING SERVICES
CNSC Licensing · Radiation Safety Program Development
Surveys · Workplace Audit · Shielding Calculations

Welcome to our elearning portal.

To participate in a course, you must first register or log in. [red arrow] is a one-time process that allows tracking of your progress through the course so that a certificate can be issued upon completion (note: free courses do not include a certificate). Please note that HST will be added to the cost of each course.

We hope you enjoy your online experience with us. If you have any questions or comments, do not hesitate to contact us at 1-800-263-5803 x23 during regular business hours Eastern Time or email us at learning@radiationsafety.ca.

NOTE: We recently upgraded the site, which unfortunately requires that all registered users reset their password. We have also shifted many courses from Adobe Flash to HTML5. If you run into issues accessing a course, this could be the reason. Please email us to fix the issue.
